CERTIFICATE OF CONSTANCY OF PERFORMANCE

No. 1388-CPR-25.2/2020

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

DELINEATOR POST: N41 Kantpæle

Delineator post is made as a compact white plastic tube, which has a cross section shape of an isosceles triangle and is equipped with retroreflectors in yellow and white colors. Delineator post is used to provide safe directional guidance to the road vehicles.

According to EN 12899-3:2007 Fixed, vertical road traffic signs – Part 3: Delineator posts and retroreflectors, the product is classified as: WL2, D3, DH2, R1 class 3.

placed on the market under the name or trade mark of:

Van Berde – Zubieli, Pogoda Sp. k.
Tuszów Narodowy 397
39-332 Tuszów Narodowy
Poland
VAT: PL 8172084346

and produced in the manufacturing plant:

ALPHAPLAST sp. z o.o.
ul. Ignacego Lukasiewicza 1
64-800 Chodzież
Poland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 12899-3:2007

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 16 November 2020 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
